information

HOURS:
 Mon. - 10 a.m. to 6 p.m.
 Tues. - 10 a.m. to 6 p.m.
 Wed. - 10 a.m. to 6 p.m.
 Thurs. - 10 a.m. to 6 p.m.
 Fri. - 10 a.m. to 6 p.m.
 Sat. - 10 a.m. to 6 p.m.
 Sun. - 10 a.m. to 6 p.m.

The Ontario Science Centre is a place quite unlike any place else, anywhere. Situated in the geographic heart of Metropolitan Toronto, just seven miles from downtown, the Science Centre is a "must" destination for visitors from around the world. It's a place to see and hear and touch. It's a place for fun and discovery. And that's just what we want you to do. Discover more about your world and yourself at the Ontario Science Centre.

Admission: is \$1.50 for adults, 75 cents for students, 25 cents for children 12 and under, or \$3.50 for the whole family. Senior citizens are admitted for 50 cents. On-site parking is \$1.00.

Food facilities: The Centre can offer you food and refreshments to fit any budget. We've a licensed dining room and lounge, plus a cafeteria, two snack bars and an outdoor beer garden.

How to get there by car: from highway 401 take the Don Valley Parkway south and exit at Eglinton Avenue West. From the Queen Elizabeth Way take the Gardiner Expressway to Don Valley Parkway and exit at Don Mills Road North. Watch for the signs.

By public transportation: from downtown Toronto take the Yonge Street subway north to the Eglinton station and transfer to the Eglinton East bus. Get off at Don Mills Road. From midtown Toronto take the Bloor Street subway east to the Pape station and transfer to the Don Mills bus. Get off at St. Dennis Drive.

LEARNING

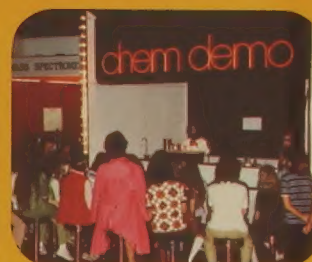

TIC TAC TOE

BINARY COUNTER

HYDRO SPARK SHOW

CHEMISTRY DEMONSTRATION

SHIP MODEL SHOP

EXAMINING MINERALS

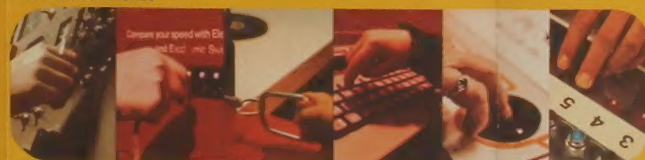

FRENCH LASER

At the Science Centre you learn by doing... by the fun of discovery. We've no taboos about cameras... you can take photos anywhere, anytime... so snap away.

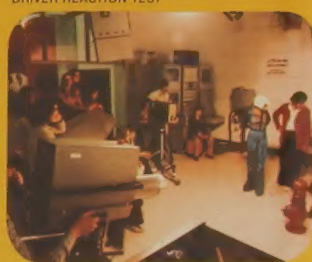

SOUND FOCUS DISHES

MECHANICAL HANDS

DRIVER REACTION TEST

TELEVISION STUDIO

THE RAIN CYCLE

We started with the idea that science and technology should be fun, so we devised exhibits and demonstrations to involve you in your world and yourself. We've designed games that test your perception... your memory... your agility and responses... and to show you how we can trick your eye and fool your inner ear. We want you to ask questions, that's why our young hosts are there to help you if you're puzzled about anything or lost. Watch for their white coats. They're very friendly and very knowledgeable. Try them. At the Science Centre you'll find an opportunity to do everything... to simulate a moon-landing, to try using mechanical hands, to ride a gyro platform... come once and you'll come back again and again.

THE ANT COLONY

If you're like us, you'll agree that too many things are kept behind the scenes, hidden from public view... at the Science Centre you'll find people working right in the exhibit halls... like our model maker, our printer, and treadle lathe operator.
